Last year, our charity was REUBEN'S RETREAT – a local charity which provides space and time for families with terminally ill children to relax, rest and talk to others in the same position. I am really pleased to tell you that we managed to raise £965.97 which will provide enough money for 3 families to stay at the retreat for a week. What a fantastic job the children have done. Thank you for all your support.

The children of the school have voted for this year's charity which is

**Water Aid**. I'm sure that you have seen adverts on the TV which depict children having to drink dirty and infected water. Water Aid provides money to dig wells and finds fresh water for villagers to drink. We hope that the money we raise will go a long way to providing clean, fresh water for children in Africa.
