*Dear Parents and Carers,*

The recent tragic story of Molly Russell has focussed all our minds on the importance of keeping our children safe in the virtual world. The school is proud to be taking part in Safer Internet Day today and would encourage all of us to join together for the sake of our children.

### Safer Internet Day 2019

**Safer Internet Day 2019** will be celebrated globally on Tuesday 5th February with the slogan: 'Together for a better Internet'.

Coordinated in the UK by the [UK Safer Internet Centre](http://www.saferinternet.org.uk) the celebration sees hundreds of organisations get involved and join a national conversation about using technology responsibly, respectfully, critically and creatively.

The day offers the opportunity to highlight positive uses of technology and to explore the role we all play in helping to create a better and safer online community. It calls upon young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers, and wider, to join together and help to create a better internet.
